INFORMATION ABOUT THE SERVICE

Your Plan is for a Post-Paid mobile phone service. It gives you access to our network, a mobile phone number, lets you make and receive calls, send and receive messages, and access mobile data.

BYO handset

You can bring your own (BYO) compatible handset to take up this Plan. Be sure to check that your handset supports 3G-850MHz to ensure you get the best possible experience on the Telstra Mobile Network. Check your device manual or manufacturer's website. See telstra.com/device for more information.

Device Payment Contract

You may purchase a handset to use with your Plan. A Device Payment Contract allows you to get a new handset and make monthly interest free payments for 12 or 24 months.

If you cancel your Plan or Device Payment Contract before the end of your Device Payment Contract term, you'll need to pay any remaining handset payments.

Minimum term

One month.

You can cancel your Plan at any time but if you cancel you will also need to pay any additional charges up to the point of cancellation.

Your Monthly Call Allowance

\$400 – your unused Monthly Call Allowance expires each month.

Your Monthly Data Allowance

300MB (Megabytes).

Your unused Monthly Data Allowance expires each month. Once you've used your Monthly Data Allowance, you'll be charged for excess data usage at a rate of 3¢/MB (or part thereof).

What's included

Your Monthly Call Allowance can be used within Australia for calls and MMS to standard Australian landline and mobile numbers, as well as most 11xx, 12xx, 13xx and 1800 numbers (from 3 October 2014 calls to 1800 numbers will no longer be charged). Your Monthly Data Allowance can be used to access mobile internet and some mobile apps on your Telstra Mobile Network compatible handset in Australia.

What's not

Your Monthly Call Allowance and Monthly Data Allowance can't be used overseas. Your Monthly Call Allowance can't be used for some things like calls, SMS or MMS to international numbers, premium numbers (eg 19xx numbers) and some satellite numbers, 1234, 12 455 and 12 456 numbers or content charges (including third party charges). Your Monthly Data Allowance can't be used for data while you're overseas. Charges for these calls, SMS and MMS can be found at telstra.com.au/customer-terms
