## INFORMATION ABOUT THE SERVICE

Your Plan is for a Post-Paid mobile phone service. It gives you access to our network, a mobile phone number, lets you make and receive calls, send and receive messages, and access mobile data.

### BYO handset

You can bring your own (BYO) Telstra Mobile Network compatible handset to take up this Plan. Be sure to check that your handset supports 3G-850MHz, to ensure you get the best possible experience on the Telstra Mobile Network. Check your device manual or manufacturer's website. See [telstra.com/device](http://telstra.com/device) for more information.

### Device Payment Contract

You can purchase a handset to use with your Plan. A Device Payment Contract allows you to get a new handset and make monthly interest free payments. If you cancel your Plan or your Device Payment Contract early, you'll need to pay any remaining handset payments.

### Minimum term

12 or 24 months. 12-month Plans are only available in selected channels.

### Your Monthly Call Allowance

**\$550** – your unused Monthly Call Allowance expires each month.

### Your Monthly Data Allowance

**500MB** (Megabytes). Your unused Monthly Data Allowance expires each month. Once you've used your monthly data allowance, you'll be charged for excess data usage at a rate of 3¢/MB (or part thereof).

### What's included

Your Monthly Call Allowance can be used within Australia for calls and MMS to standard Australian landline and mobile numbers, as well as most 11xx, 12xx, 13xx and 1800 numbers (from 3 October 2014 calls to 1800 numbers will no longer be charged). You also get unlimited SMS to standard Australian landline and mobile in Australia. Your Monthly Data Allowance can be used to access mobile internet and some mobile apps on your Telstra Mobile Network compatible handset in Australia.

### What's not

Your Monthly Call Allowance can't be used for calls, SMS or MMS to international numbers or while overseas (including receiving calls), calls/SMS to premium numbers (eg 19xx numbers) and some satellite numbers, calls to 1234, 12 455 and 12 456 numbers, calls to most operator assisted numbers, information calls or content charges (including third party charges). Your Monthly Data Allowance can't be used for data while you're overseas.
